MERCEDES BENZ G Class

G CLASS 1990-2017

PART NO: MEV MY46 **CHASSI CODE:** W463

Introducing our shock absorber kit crafted exclusively for the Mercedes Benz G-Wagen. This kit features the time-tested Öhlins 16/46 shock absorbers, showcasing a robust 16 mm piston shaft perfectly paired with a 46 mm piston. Designed to accommodate a lift of up to +3", this shock absorber kit seamlessly integrates with both aftermarket and OEM springs.

What sets this kit apart is its extensive testing process, meticulously conducted across various terrains and road conditions. Countless hours have been dedicated to refining the settings to achieve an unrivaled balance between optimal comfort and unparalleled performance. The end result? A driving experience that transcends expectations, providing the utmost satisfaction in terms of car handling.

Elevate your driving experience to new heights and revel the seamless fusion of luxury, reliability, and exceptional performance. Prepare to be captivated by a product that surpasses all expectations.
